# How To Download Music or a Soundtrack To Your Desktop

**Important**: Your music or soundtrack must be downloaded to a desktop computer. It cannot be downloaded directly to a portable device. Once downloaded, you can upload the songs to your favorite music service (iTunes, Windows Media, etc.).

Follow these step-by-step instructions:

**Step 1:** If you have closed out of the offers page you can return to it by clicking the "Trophy" Icon at the top of the DMR home page.

**Step 2:** Under "Unlocked Offers," find your music/soundtrack offer and click "Redeem now."

Step 4: You have two choices on where to save your file. You can click "Save" which will place your files in your download folder.

#### You can click the down arrow to the right of the "Save" Step 4: button and select "Save As" to select where you would like your files to be saved.

With either process when you click "Save" your download will begin.

When the download is complete you can click Step 5: "Open" to view the soundtrack folder.

## **Step 6:** Double Click on the Folder to view your music files.

### **Step 7:** This window will allow you to view the music files.
